ARRANGE TO REPAIR THE BELLE VERNON BRIDGE

Commisioners of Two Counties Hold Important Meeting in Pittsburg And Go Over Their Plans.

At a joint meeting of the Washington and Fayette county commissioners, held at Pittsburg Wednesday, steps weret aken to make some repairs on a pier of the Belle Vernon bridge. An inspection of this bridge recently showed that a pier was cracked. The bridge is one endangered by the break, but it might become worse. The Washington county engineers submitted plans for strengthening the pier. These were accepted by Fayette county. The Washington county engineers were directed to secure estimates as to the probable cost of the work. It is proposed to band the pier. Just what the cost will be cannot be stated. It will cost almost as much to prepare to do the work as the work itself. Steel rods will be run through the pier and these bolted to bands that will be run up and down the outside of the pier.

IMPROVEMENTS ARE MADE IN TROLLEY CAR SERVICE

Cars to Run From Seventh Street, Monongahela, to Donora—Half Service Introduced.

Many improvements in service and comfort are being carried on by the Pittsburg Street Railways company. Beginning tomorrow the company will introduce half hour car service from Donora through Monongahela to Seventh street. At the present time the cars run from Donora only as far as Black Diamond where they connect with the big cars for Pittsburg. The change will give Monongahela patrons of the lines a 15 minute schedule along Main street. The big cars run half-hourly and the cars from Donora will run at the same intervals but at different times.

Plans will be put into effect to care for the crowds to Washington park in a more efficient way. The picnic season at Washington's playground promises to be a big one To avoid confusion the cars running on the short branch from East Maiden street to the Park will be in charge of one man who will act as motorman and conductor Fares and transfers will be collected before the cars leave the East Maiden street corner

ROAD BUILDING PUT IN SHAPE

Hastings and Piper Begin Work on the Beallsville-Fredericktown Extension

IS IMPORTANT IMPROVEMENT

Work has been commenced on the construction of the Beallsville-Fredericktown extension, the contract for which was left by the county commisioners recently to Hastings & Piper, of Charleroi.

This highway begins at the state road near the home of Z. T. Regester and extends in a southerly direction for a distance of 1.6 miles to the northern end of the new county brick road, known as the Beallsville-Fredericktown road.

When completed this highway will give access over improved road to the people of the Fredericktown region to Bentleyville, Charleroi and Monongahela. There is already an improved road across the river from Millsboro, near Fredericktown in Fayette county to Uniontown.

It is said that the distance from Washington to Uniontown by this route is much shorter than via the National pike. It is expected that work will be commenced shortly on the other six sections of county roads, the contracts for which were let recently.

Notice to Odd Fellows.

GOOD REPORT AT LOCAL HOSPITAL

Many Visits Made During Month, According to Superintendent's Report

COLLECTIONS REPORTED GOOD

At the regular monthly meeting of the board of directors of the Charleroi-Monessen hospital this week, Miss Genevieve Dahy, superintendent, submitted the following report for May:

Number of patients remaining May 1	20
Number of patients admitted May 1	53
Number emergency cases	6
Number of operations	36
Number of deaths	2
Number of births	2
Highest number of patients admitted in one day	6
Number surgical cases admitted	39
Number medical cases admitted	14
Number free patients admitted	14
Number pay patients admitted	39

Collections for the month were better than for any previous like period since Miss Dahy's administration began March 1. Attention is called to the fact that while a patient may be entered and rated as a pay patient, it costs the institution considerably more per day for each patient than is paid. The charge for pay patients is $1.25, while hospital cost varies from $1.75 to $2.00 per day.

During the month 12 physicians made a total of 176 visits, indicating that patients were well attended.

Much trouble has been experienced lately from tresspassers. Signs have been posted and the superintendent given instructions to have arrests made. Children were offenders and fruit trees and shrubs have been destroyed.

Donations during the month were received from Crall's Flower Shop, flowers: Monessen auxiliary, magazines: Mrs. John O'Brien, geraniums; Mrs. Edward Dahy of Donora, bread; Dr. David Schaffer, flowers; W. C. T. U. of Belle Vernon, baby clothing; Self Denial class, Washington Avenue Presbyterian church of Charleroi, baby clothes: Charleroi Auxiliary, 2 pairs pillows, 2 rocking chairs, 1 screen, 20 dozen glasses, 8 flower vases, 7 T. binders, 3 night shirts, 6 service covers, 26 bed bags and curtains.

The hospital range donated by the Monessen Auxiliary with cooking utensils was received and installed recently. The cost of these was over $200.

ASK THAT PENITENTIARY INMATE GIVE TESTIMONY

In the suit of the Charleroi Brewing company against Georgianna Coles of the Wilbur hotel upon petition of the plaintiff company a writ of habeas corpus has been issued, directed to the warden of the Eastern penitentiary. He is directed to produce in court on June 16, 1915, John W. Baldwin an inmate of the penitentiary, whom it is averred is an important witness in the case.

THE NATURAL CONSEQUENCE

In court this week a pride of five months complained that her husband was not properly supporting her. She is 17 years old, he 19—scarcely more than children. It is hardly matter for surprise that they have been brought to a point where they confess that a great mistake was made, says the Washington Reporter. The great pity is that these young people did not have parents or friends to hold them back from marriage; or if they had, that they were so confident in their own good judgment and their readiness to assume permanent and weighty responsibility, that they brushed aside the wishes of their people and the advice of their friends.

That they have made shipwreck of their lives is only natural. Boys and girls of the tender age of these two are not sufficiently mature in judgment and character to take the step they did and to their sorrow. Where the home does not give a right attitude toward life and its duties and responsibilities, the chances are that a wrong attitude will be acquired. The general trend of the influences that reach the average boy and girl outside the home are harmful; and the case in hand is only the natural outcome.

The pity of it all is that the unfortunate experiences of these misguided young people will not deter others from the same foolish course.

WHITEHEAD-THOMAS WEDDING TAKES PLACE AT HOME OF THE BRIDE IN PITTSBURG

At the home of the bride's parents, amid a profusion of pink and white ferns and roses, Rev. T. W. Colhouer, uncle of the groom pronounced the words which united the lives of Ernest Whitehead of Pittsburg and Miss Lois Thomas of Carrick on Wednesday. Miss Millie Douglas sang, "Oh Promise Me," after which to the strains of Mendelssohn's wedding march, the bridal party approached the altar. The bride was attended by Miss Beatrice Murray of Pittsburg and the groom of Bannister G. Roberts of Charleroi. Mrs. George Gibson, sister of the bride, acted as matron of honor, while little Lois Springer and Beryl Thomas were the charming flower girls.

Immediately after the ceremony a three-course dinner was served and the newly wedded couple left at 11 o'clock for a short wedding trip. On their return they will be "at home" to their friends at 41 Woodlawn avenue, Carrick.

Mr. Whitehead was appointed stenographician clerk by former governor John K. Tener, which position he still holds under Governor Brumbaugh. The bride is one of Carrick's most popular social leaders.

Out-of-town guests at the wedding were Mr. and Mrs. Thomas Pittock, and Mr. and Mrs. J. J. Springer of Ingram; Mr and Mrs. Wallace of Woodlawn. Mrs. R. J. Whitehead and daughters Marie and Frieda of Charleroi, Rev. T. W. Colhouer, Uniontown, Mr. and Mrs. John L. Colhouer of Castle Shannon, Bannister G. Roberts and Audrey Clothue of Charleroi.

GEORGE RICHARDS HURT WHEN SWING ROPE BREAKS

George Richards, aged 16 of Oakland avenue received a severely sprained arm Friday when the rope on the swing at the playgrounds on which he was swinging broke. The accident happened in the absence of W. F. Auer, the superintendent of the Charleroi playgrounds. The acident was an unfortunate one and was the first of the season to happen at the local playgrounds. Excellent facilities for the prevention of a possible accident are had at the park and the accident was a considerable surprise to Mr. Auer.

Notice to the Public.

Since we have published our new price list some people are under the impression that it is our purpose to make our customers pay more than necessary.

This is not the case and to prove it we desire to place th following facts before the people:

For the past three or four years a general increase in wages has been granted to all trades, plumbers, carpenters, blacksmiths, street car men, miners, etc., to meet the increased cost of living.

The teamsters of this town have not received any advance in wages but have been compelled to meet a steady increase on expenses as for instance, shoeing horses three years ago cost $1.40 while we pay $2.00 now. Hay, oates, straw have taken a raise from 50 to 100 per cent in the same time. The price of harness, wagons, horses and repairs have all been advanced.

In all fairness are we not entitled to a raise in our prices to meet these new conditions? We ask your fair consideration of the above facts.

Respectfully submitted for the

REMARKABLE CASE of Mrs. HAM

Declares Lydia E. Pinkham's Vegetable Compound Saved Her Life and Sanity.

Shamrock, Mo.— I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation and congestion, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind, I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."—Mrs JOSIE HAM, R. F. D. 1, Box 22, Shamrock, Missouri.

Suppose We Pared These Tires

Suppose this All-Weather tread—now double-thick—was pared to the thinness of the usual anti-skid. Would it endure like this one? Or so resist puncture?

Suppose we used—as some do—one less fabric ply. Or made the whole tire lighter. Suppose we omitted our exclusive features:

Our No-Rim-Cut feature—
Our "On-Air" cure—
Our rubber rivets—
Our 126-piano-wire base.

All rivals do omit them. All of them are costly. Our "On-Air" cure alone costs us $450,000 yearly to save needless blowouts. But could Goodyear Fortified Tires retain top place if we did not give those extras?

Cost Added Prices Lowered

Instead of that, we all the time add costly betterments. We spend on experts $100.000 yearly to seek out new improvements.

Our All-Weather tread — always double-thick — is made still thicker in some sizes.

Our Inner Tubes have been thickened 14 per cent on the average.

Our fabric has been strengthened.

Yet on February 1st we made our third big price reduction in two years, bringing the total to 45 per cent. Now you are getting in Goodyear Fortified Tires the best value ever known in tire making.

It is due to yourself that you this year join this army of contented tire users. It is by far the largest army in Tiredom. Any dealer will supply you. (2551)

To the Business Men of Charleroi

Message No. 3

When a good salesman goes out after business, he first puts on a clean collar and gets his shoes shined. Then he *looks* like more business—and he's made a flying start toward getting it.

Likewise, a community can go after more business—and get it. The "clean collar and shiny shoes" of this town are the well-painted stores, the bright, cheery homes, the fresh, clean-looking buildings. The part paint plays in building up local pride cannot be put in figures—but its good effects are recorded on the local merchants' sales sheets. Buy good paint. We recommend

Dutch Boy Beymer-Bauman / Armstrong-McKelvy **White Lead**

and Dutch Boy linseed oil. There is nothing else so satisfactory, so lasting and cheap in the long run. Sold by all good paint dealers. Get in touch with your dealer today.

Many Recoveries From Lung Trouble

Eckman's Alterative has restored to health many sufferers from lung trouble. Read what it did in this case:—

Wilmington, Del.

"Gentlemen:—In January, 1908, I was taken with hemorrhages of the lungs. My physician, a leading practitioner, said that it was lung trouble. I got very weak. C. A. Lippincott, of Lippincott's Department Store, Wilmington, Del., recommended Eckman's Alterative that had done great good. I began taking it at once. I continued faithfully, using no other remedy, and finally noticed the clearing of the lungs. I now have no trouble with my lungs. I firmly believe Eckman's Alterative saved my life." (Abbreviated.)

(Affidavit) JAS. SQUIRES.

Eckman's Alterative is most efficacious in bronchial catarrh and severe throat and lung affections and up-building the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Small size $1; regular size, $2. Sold by leading druggists. Write for booklet of recoveries.

Eckman Laboratory, Philadelphia.
